

17th European Congress of DentoMaxilloFacial Radiology EADMFR

Invitation to bid to hold it in your country!

Proposals are invited from individual EADMFR members, or preferably a group of members, wishing to host the 17th European Congress of DMFR, due to be held in the summer of 2020.

The Constitution of the EADMFR states “Any country within Europe may bid to host the biennial congress. Bids shall be submitted, normally four years in advance, to the European Academy’s Congress Committee whose decision shall be considered and ratified by the Central Council before being agreed by the General Assembly.” In accordance with the Constitution, the venue for 2020 is due to be decided in 2016 at the 15th Congress of EADMFR, to be held in Cardiff, Wales, Great Britain, June 15-18. All groups submitting a bid will be provided with the opportunity to promote their bid in Cardiff, at which they will be able to show promotional material of whichever forms they choose.

For details of previous countries who have hosted the European Congress please visit the Meetings section on our web-site, www.eadmfr.eu. The 2018 meeting will be held in Lucerne, Switzerland, also in June.

Any person intending to submit a proposal should contact the Chairman of the Congress Committee, Karin Näsström (Karin.nasstrom@ki.se) for details of the requirements, and to inform her that they are intending to put in a bid. She will then send out a document to assist them. She is happy to provide advice informally, and to talk over any ideas that members may have. Interested members may also find it helpful to talk to previous congress organizers.

The final decision will be made in Cardiff, when the Congress Committee will meet with representatives from the bid countries, and then make a recommendation to the Central Council of EADMFR. The decision will be announced at the General Assembly.

Five copies of the formal proposal should be submitted by **30 April 2016** to:

Karin Näsström
Division of Image and Functional Odontology
Dep of Dental Medicine
Karolinska Institutet
Box 4064
S-141 04 Huddinge
Sweden.

The current Congress Committee comprises:

Karin Näsström (Chairman) (Sweden), Reinhilde Jacobs (Belgium, co-opted) and Roman Aluca (Romania, former local arr last Congress in Cluj-Napoca)
